BRIAN JONES, pro se  
- Defendant

Motion For Summary Judgement of Jones's Motion  
For Reduction in Sentence - Compassionate Release.

Brian Jones, pro se comes before this Honorable Court  
to bring a Summary Judgement granting his motion  
for compassionate release pursuant to Section 3582(c)(1)(A).

On October 27, 2020 This Court sent Jones a  
"Scheduling Order RE [106] motion to reduce sentence"  
This schedule required the Government to file a  
response to Jones's motion by 11/24/2020. As of December  
2, 2020 No response has been filed. The Government  
has not filed for an extension of time to file. This lapse can  
only be considered as a lack of opposition to Jones's motion.

With the increasing risk presented by COVID-19

in the prison system and community. On Nov 30, 2020 prison officials at FCI Danbury reported quarantining of 4 inmates for positive COVID-19 Tests from unknown housing units. Today Dec. 2, 2020 prison officials quarantined 2 housing units (nearly 100 inmates) after additional inmates tested positive for COVID-19. The outbreak is very real and active at FCI Danbury. Additionally Jones's high blood pressure is worsening to the point that on Dec 1, 2020 Jones had his ACE inhibitor dosage doubled.

Jones asks this court to GRANT his motion for Compassionate release considering the reasons outlined in his original motion, the lack of opposition from the Government, and the factors listed herein.

Respectfully Submitted December 3, 2020
